BOOK OF THE YEAR

In this book, our own **JULIE MITCHELL** (student at Union University) tells us of her experience when a powerful tornado slammed into the University campus, destroying 18 dormitory buildings and causing \$40 million in damages. Miraculously, nobody was killed.

Read these stories of faith and hope as students saw twisted ruins, heaped rubble and scattered debris – nature supercharged with God’s divine touch – testimony that the Creator Himself is so much more powerful. The stories in this book will lead you to say “Blessed Be the Name of the Lord.”

A **must read** book.
